**Announcement of winners for  
Logo Design Competition**

Organized by the Department of Geography, the Logo Design Competition which was held from 1 January 2017 to 31 March 2017, received active participation from different parts of the society. We received a total of 23 entries from the BU community, our alumni and the general public.

All the works submitted by entrants are creative and artistic, and some of the designs even attain professional standard. The Judging Panel had a hard time in choosing the best designs and our regret is that there can only be three winners for this competition. With great pleasure and honour, we would like to announce the winners for this competition are:

CHAN Yun Fai (陳潤輝)

CHOW Ka Chun (鄒家俊)

SER Shaw Hong (徐肇鴻)

(\*arranged in alphabetical order of surname)

Winners will also be notified by email individually. We heartily congratulate the winners for their excellent works and at the same time, express our heartfelt appreciation for the support from all entrants.
