

List of Student Honours Projects (previous years)

Reference No.	Major	Topic
2601	GEOG	Evaluating the Environmental Health Impact of Hong Kong's Existing Green Buildings: Energy Use, Indoor Air Quality, and Urban Heat
2602	GEOG & PSHE	Advancing Circular Economy: An Assessment of Glass Beverage Container Recycling in Hong Kong
2603	GEOG	Assess the importance of urban parks in mitigating the thermal environment of built-up areas in Hong Kong
2604	GEOG	Do land cover difference impact pollination services? Insights from the spatial distribution patterns of the reproductive stages of <i>Sterculia lanceolata</i> in Hong Kong
2605	GEOG	Algorithmic Walks: How Hong Kong Youth Use Short-Form Video to Navigate and Reimagine Urban Space
2606	GEOG	The Effectiveness of Hong Kong's Typhoon Warning Policy: Public Perception and Adaptive Behavior
2607	GEOG & PSHE	Optimization Of Plastic Bottle Recycling in Hong Kong: Spatial And Behavioral Analysis of The Feasibility of Adopting a European-Style Deposit Refund System (DRS)
2608	GEOG	Toward Sustainable Consumption: Citizens' Attitude and Experience in Digital Second-hand Purchasing
2609	GEOG & PSHE	Evaluating the Hong Kong's public housing policy through light public housing and transitional housing on alleviating the city's housing shortage
2610	GEOG	A 10-Year Stock-Take on Smart Mobility & Governance in Kwun Tong & Kowloon Bay
2611	GEOG	Ho sensoryscape in home stadiums shapes team identity among fans of Hong Kong senior representative team
2612	GEOG	The Impact of Near-Expired Products Retailers on Consumption Patterns in Hong Kong
2613	GEOG	Exploring the role of green transport policies (focusing on electric vehicles) in improving carbon emissions and air quality in Hong Kong
2614	GEOG	Exploring stakeholders' perspectives on post-feed-in tariff (FiT) renewable energy policies in Hong Kong: integrating multi-criteria decision analysis (MCDA) and value-focused thinking (VFT) case study

2615	GEOG	Evaluating the impacts of public transport modes(MTR & bus) in Hong Kong and their role in sustainable urban development: Case study of Tuen Mun
2616	GEOG	Assessing Users' Perceived Well-Being across Different Types of Public Open Space: A Case Study of Sham Shui Po
2617	GEOG	Research on the 'Space-Community' Interaction in Cultural Heritage Revitalization: A Case Study of the Conservation Practice and Community Identity Construction at
2618	GEOG	The Impact of Urban Development on Extreme Rainfall Patterns in Hong Kong: A GIS-Based Analysis
2619	GEOG	Multiple Spatial Implications in Platform Urbanism: Insights from "Warm Bee Stations" in Shenzhen
2501	GEOG & PSHE	From Green to Home” —The importance of green space of urban parks in affecting place attachment of users: A Case study of Kowloon Park
2502	GEOG	A study on how KOL using Social Media to promote Environmental Issues
2503	GEOG	Islandness as an attractiveness? The process of shaping a sustainable residential and recreational island: A case study of urban planning on Ma Wan, Hong Kong
2504	GEOG	Investigating the Anime and Manga Convention: A Study of Identity, Consumption, and Localization in Doujin Conventions In Hong Kong
2505	GEOG	A Study on Mercy Release Practice in Hong Kong: The Religious and Environmental Beliefs of the Practitioners
2506	GEOG	Examine the resilience of rail-based transportation system: a case study of Hong Kong
2507	GEOG	Recycling awareness: Evaluating the impact of recycling awareness on waste management and community involvement
2508	GEOG	Green Messages in Animation: The Influence of Doraemon Movies on Sustainability Awareness
2509	GEOG	Examining pedestrian-friendly Urban Spaces in Hong Kong: A Comparative Study of New Towns in Fanling, Sheung Shui and Yuen Long
2510	GEOG	Understanding Young Adults' Behaviour towards E-commerce in Hong Kong
2511	GEOG & PSHE	Adaptive reuse in the sustainable urban development of the surrounding community and environment? A case study of Central Market.
2512	GEOG	Evaluating the Impact of Urban Parks on Air Quality Enhancement in Hong Kong

2513	GEOG	Community Attachment and Housing Mobility among Private Housing Residents in Hong Kong: Case Study in Tuen Mun
2514	GEOG	In-situ Urbanization and the Sense of Place Among the Indigenous Villagers in Hong Kong: A Study in To Shek (Tsang) Village and Sha Tin Wai (Tse) Village
2515	GEOG & PSHE	The Values Of Public Transport And Green Space Accessibility On Hong Kong Housing Prices: A Hedonic Pricing Analysis In Sai Ying Pun And North Point
2516	GEOG & PSHE	Migration intentions of Hong Kong youths
2517	GEOG	Evaluate the effectiveness of alleviating traffic congestion after the imposition of
2518	GEOG	Can Urban Green Spaces Alleviate Urban Heat Island Effect? A Case Study of Kai Tak District
2519	GEOG	Spatiotemporal distribution of PM2.5 levels, differences in PM2.5 levels between urban areas and urban green spaces and the influencing factors: A case study of Kwun Tong
2520	GEOG	Assessing The Equitability of Age-Friendly Urban Green Space Design: A Case Study from Hong Kong
2401	GEOG	ASSESSING THE IMPACT OF SUSTAINABLE TRANSPORTATION INITIATIVES ON EMISSION REDUCTION, A CASE STUDY OF MONG KOK
2402	GEOG	An Evaluative Framework for Multi-criteria Based Feasibility Assessment for Urban Solar Communities: An Application to a Case Study
2403	GEOG	Evaluating Hong Kong citizen's knowledge, attitude, and practice towards urban flooding under climate change: A KAP survey regarding urban flooding in 2023
2404	GEOG	The Challenges of Implementing Community-based Recycling Scheme in Hong Kong
2405	GEOG & PSHE	Unveiling the dynamics of street-level and ozone pollution in Hong Kong: A Spatial and temporal analysis for sustainable solutions
2406	GEOG	Cultural Adjustment of Asian Exchange Students in Dutch Universities: A Comparison among Chinese, Japanese, and Korean Students
2407	GEOG	Evaluating the effectiveness of Reverse Vending Machines Pilot Scheme as an option to reduce plastic pollution: case study of Hong Kong
2408	GEOG	QUANTIFY THE EFFECTIVENESS OF GREEN@COMMUNITY PLACEMENTS IN HONG KONG
2409	GEOG	Community perception of expanding a bedroom community: A case study in Tsing Yi
2410	GEOG	Accessing the relationship between PM2.5 concentration and land use: A case study in

2411	GEOG	The Study of Creative Market and Culture in Hong Kong
2412	GEOG	The impact of IKEA sustainability strategies on the global community
2413	GEOG	The Spatial Stories of Christianity Echoing Urban Development Trajectory in Hong Kong: Cases of St. John's Cathedral and University Chapel
2414	GEOG	Investigate the Spatial Pattern of Urban Heat Island in Hong Kong: A Geospatial
2415	GEOG	The Spatial and Temporal Dynamic in Water Quality: A Case Study on Lam Tsuen River
2416	GEOG & PSHE	Waste-to-energy in Hong Kong: Factors Affecting Public Acceptance
2417	GEOG	A STUDY ON THE CULTURAL SIGNIFICANCE OF ABANDONED URBAN LANDSCAPES IN HONG KONG: PERCEPTIONS, EXPLORATION, AND FUTURE PROSPECTS
2418	GEOG	How the change of consumption behavior of the population in China affect the regional development in China
2301	GEOG	The Challenges of ESG Frameworks in Mitigating Water Crisis
2302	GEOG	How Do We Understand the Smart City? Bridging the Gap Between Citizens and the Government in Hong Kong
2303	GEOG & PSHE	IS PUBLIC HOUSING A CURSE OR BLESSING FOR PEOPLE TO ENHANCE SOCIAL
2304	GEOG	Effectiveness of Land Use Planning as a Strategy to Minimize Air Pollution: A Case Study of Hong Kong
2305	GEOG & PSHE	A STUDY OF THE IMPACT OF COVID-19 ON HONG KONG'S CULTURAL LANDSCAPE: A CASE STUDY OF PUBLIC SPACES AND COMMUNITY IDENTITY
2306	GEOG	Exploring the opportunities and challenges of the development of the black soldier fly industry: The application of an industrial chain framework to a case study in Hong Kong
2307	GEOG	RELATIONSHIP BETWEEN URBAN REVITALIZATION WITH EMERGE OF "HIPSTER" SHOP: A CASE STUDY ON SHAM SUI PO DISTRICT
2308	GEOG	The changing behavior and attitudes of Hong Kong consumers towards online food delivery services: before and after Covid-19 pandemic
2309	GEOG	Lifestyle and emotional bonding to pets: A case study of pet owners in Hong Kong
2310	GEOG	The social impacts of river channelization in the living environment in Hong Kong – A case study of Shan Pui River
2311	GEOG & PSHE	Revitalization & Social Sustainability: A Case Study of Blue House Cluster

2312	GEOG & PSHE	Place-Making in Waterfront Renewal: Case Study of The Belcher Bay Promenade
2313	GEOG	A sustainable study of food waste in Hong Kong. Examining the rebound effect between technological advancement and food wastage behaviors by understanding the moral judgement behind consumers
2314	GEOG	The sustainability of water resources in Hong Kong: A case study on water quality of Kam Tin River
2315	GEOG	The comparison of air quality of the inner city and waterfront promenade using quantitative methods: A case study of Kwun Tong
2316	GEOG	A STUDY ON EMIGRATION WAVE IN HONG KONG FROM 2018-2022
2317	GEOG	ASSESSING THE ACCESSIBILITY TO REVERSE VENDING MACHINES IN HONG KONG IN THE CONTEXT OF 3R (REUSE, REDUCE, RECYCLE): PROSPECTS FOR A CIRCULAR ECONOMY
2318	GEOG	THE GEOPOLITICS OF CLIMATE CHANGE IN THE ARCTIC: A CASE STUDY OF CHALLENGES AND OPPORTUNITIES OF THE RUSSIAN FEDERATION
2319	GEOG	The changing pattern of passenger transportation between Hong Kong and the Pearl River Delta West
2320	GEOG	EMIGRATION AND THE IDENTITIES OF HONG KONG YOUTH
2321	GEOG	A STUDY ON THE RELATIONSHIP BETWEEN URBAN GREENING AND AIR QUALITY: A CASE STUDY OF THE KWUN TONG TOWN CENTRE REDEVELOPMENT PROJECT
2322	GEOG & LST	Yuen Long Creek: A Spatiotemporal Analysis of River Water Quality from 1986 to 2021
2201	GEOG	The Development Of Freshwater Supply in Hong Kong and The Policy to Improve Water
2202	GEOG	A Study on Symbolic Consumption in Cafe: Cafe is More Than Just a Cup of Coffee
2203	GEOG	Compare the Land Use and Lifestyle Between Hong Kong and Joensuu, Finland
2204	GEOG	To Find Out The Enviornmental Degradation in Hong Kong Hiking Trails Due To The Increasing Number of Visitors Since The Pandemic
2205	DD	Sound Geography of Hong Kong: Investigating The Role of Urban Soundscape in The Place-Based Identity of Hong Kong People
2206	GEOG	Queerying Cyberqueers in Hong Kong: Identity and Placemaking
2207	CS	Upscaling Green Building Innovation Through a Regional Collaboration Approach: A Case Study of Hong Kong as a First Mover of Retro-Commisioning (RCX) in The Greater

2208	DD	The Multi-Dimensional Values of Solar Schools: An Integrated-Analytical Framework and a Case Study of Hong Kong
2209	CS	Different contributions of residential experience to residential satisfaction: a case study of comparing HKBU local students and mainland students
2210	DD	Cantopop and the New Lives of Young Generation Hong Kong Immigrants
2211	GEOG	The Social Value of Luen Wo Market's Conservation and Evaluation of its Current Revitalization Plan
2212	DD	An Evaluation of The Effectiveness of The Feed-in Tariff Scheme in Scalling Up Solar Adoption in Villages in Hong Kong: A Case Study in Yuen Long
2213	GEOG	A Study on Busking Culture: The Challenges and Solutions for Busking in Hong Kong
2214	CS	Why Are China's First-tier Cities Attractive to Young Talents? A Case Study of Stay-Leave Intentions of University Graduates in Shenzhen
2215	GEOG	Impact of Urbanization Effect On Urban Heat Island Effect in Hong Kong
2216	GEOG	Ecological sustainability of water resource: A case study about assessment of water management on Shing Mun River
2217	GEOG	The Impact of El Nino-Southern Oscillation on The Tropical Cyclones in The Western North Pacific Ocean, and Associating With Hong Kong
2218	GEOG	Numerical Modeling, Weather Forecasts and Public Perception in Hong Kong: Understandings and Difficulties
2219	GEOG	Spatial Distribution of PM2.5 in Tung Chung, Influencing Factors and The Potential Impacts of Tung Chung New Town Extension
2220	GEOG	The 'Green' Reworked: Exploration of Urban Parks, Promenades and Gardens in Hong
2101	GEOG	Waste reduction as a climate change mitigation strategy: Hong Kong citizens' perception towards zero-waste lifestyle
2102	DD	Recreational Space in the Concrete Jungle: How Do 'Party Rooms' Reflect Young Hongkongers' Choice and Experiences of Having Fun Together?
2103	GEOG	The opportunities and challenges of re-industrialization in Hong Kong
2104	GEOG	An analysis of spatial and cultural meaning changes on New Town Landscape: A case study on youth towards Tin Shui Wai, Hong Kong
2105	GEOG	Cultural landscape of Ocean Park: Past, Present and Future

2106	DD	Perception of 'Lion Rock Spirit' in Contemporary Hong Kong
2107	GEOG	The relationship between sea-level rises, tropical cyclone, storm surge and the casualties of Hong Kong
2108	GEOG	A Study on the Effectiveness of Recent Cultural Heritage Revitalisation Schemes in Hong Kong by Competing Values: Economic, Social and Cultural
2109	GEOG	Linking Homeless Males' (Perceived) Social Relations To Emotional Geographies: A Tunnel-Level Case Study Exploring Complementary Relationship Between Stairs And Tunnel Body--An Analysis Via Lefevre's Spatial Triad Concept
2110	GEOG	A quantitative research on the relationship between climate change and marine water quality: Comparing Eastern, Western and Central Waters in Hong Kong
2111	GEOG	Attitudes towards Chinese Brands and Products among Young People in Hong Kong: A Geographical Analysis
2112	GEOG	Assessing Publicness of Public Space with the Star Model of Publicness: A Case Study of Tseung Kwan O
2113	GEOG	Determinants of secondary students' school trips by bicycle: A case study of Tung
2114	DD	Understanding Urban Space from A to Z: Hong Kong Maneki Neko
2115	GEOG	Mann-Kendall Trend of Meteorological Variables in Hong Kong with A Correlation Study between the Variables and ENSO/PDO
2116	GEOG	The Landscape Transition of New Towns in Hong Kong since 2000: the Case of Sha Tin
2001	CS	The Authentic Inauthenticity: A Case Study of Copycat Town, Hallstatt See in China
2002	GEOG	The influence of urban park on human comfort in urban area – A case study of Kowloon Park in Tsim Sha Tsui
2003	GEOG	The relations between El Nino Southern Oscillation, Climate Variation and Tropical Cyclones: The economic impacts on Hong Kong
2004	CS	Evaluation of the impact of Hong Kong-Zhu Hai-Macau Bridge in boosting tourism
2005	CS	Review of Environmental Impact Assessment System in China
2006	CS	The Development and Social Impacts of Ride-sharing Services: A Comparative Study of Hong Kong and Beijing
2007	GEOG	Understanding the roles of households in urban community solar from the inclusive governance perspective : A comparative study of Seoul and Hong Kong

2008	GEOG	Factors influencing the consumption of single-use plastics in Hong Kong
2009	GEOG	Understanding the challenges of the developments of low-carbon building policies in the commercial sector: A comparative study of Hong Kong and Singapore from a systemic perspective
2010	GEOG	The social impacts of revitalization project in Kai Tak River
2011	DD	High School as an Assemblage: Integration for Newly Arrived Chinese Students in Local Community
2012	GEOG	Impact of green roof in microclimate in Hong Kong
2013	GEOG	The culture of social media in everyday places: Geo-tagging, residential estates and the online world of urban aesthetics
2014	GEOG	Life satisfaction among on-campus and off-campus university students: A comparative study between HKBU and CUHK
2015	GEOG	Revitalization of Cultural Tourism in Hong Kong: A Case Study of Cattle Depot Artist
2016	DD	Acquire second language from the streets: An analysis of linguistic and semiotic landscape as a learning resource for Chinese as a second language learners
2017	DD	An Analysis & Prediction of Trends of Invasive Pneumococcal Disease (IPD) In Relation To Climate & Air Pollution in Hong Kong
2018	GEOG	Vegetation changes from 2009 to 2019 in Hong Kong: An analysis using NDVI
2019	GEOG	An analysis of climatic factors on Hand, Foot and Mouth Diseases in Hong Kong
2020	DD	Urban residential surrounding natural environment and suicide in Hong Kong: a GIS
2021	GEOG	Can the Hardware help the development of the software: Public and performer perceptions of West Kowloon Cultural District (WKCD)
2022	DD	Evaluate the sustainability of development through the last decade: High Island, Hong Kong UNESCO Global Geopark
1901	CS	Cross-border innovation cooperation between Shenzhen and Hong Kong - A case study of drone industry
1902	CS	A study of cross-border consumption behaviour and consumer attitudes of Hong Kong young visitors in Shenzhen, China
1903	GEOG	Marine water quality of Tuen Mun River: A statistical and Evaluative Study of Water Quality Parameters

1904	DD	Consumer perception on e-waste recycling and disposal pattern change in Hong Kong: A study on 'the Producer Responsibility Scheme on waste electrical and electronic equipment (WPRS)'
1905	GEOG	Socio-economic impacts of urban redevelopment projects: a case study of Kwun Tong District
1906	GEOG	Ecotourism in the sedimentary geopark of NE Hong Kong
1907	GEOG	The Challenges Faced by Nongjiale in Attracting Youngsters and Suggested Solutions - A Case Study in Guangzhou, China
1908	GEOG	A systemic approach to food waste-to-energy policy: A Decentralized energy model for Hong Kong Residential sector
1909	GEOG	The economic and social impacts of high-speed rail terminus on nearby local communities: A case study of West Kowloon Terminus and Yau Ma Tei-Jordan
1910	GEOG	Ethnic Minorities in Hong Kong: Integration or exclusion in the construction workplace?
1911	CS	The role of cross border transport infrastructure in the development of the Greater Bay Area - the case of HK-Zhuhai-Macau Bridge
1912	GEOG	Future Precipitation, Evaporation and Water Resources of Hong Kong under Climate
1913	GEOG	Examination on the Flood Resilience of the Drainage System in South West Kowloon using SLS CN Method
1914	GEOG	Public perceptions of street music and quality of public space: a case study of busking in Tsim Sha Tsui harbourfront
1915	CS	中國大城市單車共享之發展研究 - 北京與香港之比較分析
1916	GEOG	Place Image of Heritage when Facing Commodification: A case study of Heritage Tourism of Tai Kwun
1917	GEOG	An investigation of the Sham Shui Po homeless: their sense of place towards Sham Shui
1918	CS	In Dual with Tourism: Does Shangxiajiu Pedestrian Street is Recognized as the Continuation of Heritage Conservation
1919	GEOG	Economic Values of Natural Resources in the United States: A Comparison of Selected States from the Socio-economic Aspects
1920	GEOG	Rationale Behind Land Use Planning Hong Kong - Public Participation The Land Supply Debate 2018

1921	DD	Achieving sustainable energy development through the adoption of residential time-of-use tariff for demand-side management of electricity: A case study of Hong Kong
1922	GEOG	Flood Risk Assessment - A Case Study of the Shing Mun River Channel
1923	GEOG	Life satisfaction and attitude towards housing: A study of teenagers in Hong Kong
1924	CS	Urban Regeneration and Conservation of Cultural Heritage in China: A Case Study of Yongqing Area, Guangzhou
1925	GEOG	The Influence of ENSO and Monsoon on Terrestrial Water Storage in Qinghai-Tibetan Region
1926	DD	Assessing Correlation Between Water Quality and Coral Reef Coverage through Regression: A Case Study of Mirs Bay, Hong Kong
1927	GEOG	The City Without Ground: How Do Footbridges Affect People's Mobility and Use of Public Space?
1928	GEOG	The Affective Politics of Heritage: Affects, Memories, Identity and Mei Ho House
1929	CS	The relationship between El Niño - Southern Oscillation and monsoon and how it affects the water resource. A case study in Tibet
1930	GEOG	The making of diasporic place: the case of Little Thailand in Hong Kong
1931	GEOG	Effects of real time bus information on passenger's travel satisfaction
1801	GEOG	Assessing the Effectiveness of River Rehabilitation Program on Water Quality and Stream Habitat: A Case Study of the Kai Tak River
1802	GEOG	Climatic Influences on Water Quality - a Statistical and Evaluative Study of Water Quality Parameters, and Future Projections in Shing Mun River
1803	CS	The Limit of Rural-Urban Dualism: A Case Study of Donglang Village in GZ
1804	GEOG	The impacts of mass-transit-oriented development on residents' spatial practice: A case study of Tseung Kwan O town centre
1805	GEOG	Residents attitude towards the development of green belt to build housing in Tseung Kwan O
1806	GEOG	Multilingualism in shop signs and commodification of space: A case study of the linguistic landscape in Tsuen Wan, Hong Kong
1807	GEOG	The ongoing process of social structure transformation in Tin Shui Wai North – Whether the quality of life of residents improve or not?

1808	GEOG	Evaluating the small-scale public open spaces planning in Tuen Mun from a humanistic perspective
1809	GEOG	The Temporal and Spatial Water Quality Changes of Kai Tak Nullah and the Effect of the Sha Tin Sewage Treatment Work's Effluent
1810	CS	由深圳、香港城市規劃，看兩地共享單車發展方向和發展空間
1811	GEOG	Sports Facilities and Social Sustainability in Hong Kong: Case of the Urban Redevelopment in Tsuen Wan
1812	GEOG	How the Arctic Climate variation influence the North Atlantic Oscillation' s climatic effect in different latitudes: Churchill, Fengqiu and Hong Kong?
1813	GEOG	Waste-to-energy as a transformative energy options for urban sustainability
1814	CS	How climate and topography controls on streamflow in low latitutde: the upper course of the Yangtze River as a case study
1815	CS	Top-down governance of creative industrial cluster in Shenzhen: The case of the OCT-Loft Industrial Park
1816	GEOG	Impacts of gated communities on neighbourhood cohesion: A case study of Hong Kong
1817	GEOG	Marine Water Quality of Southwest of Victoria Harbour: A Statistical and Evaluative Study of Water Quality Parameters and Future Projections
1818	CS	Place image and sanitization of history: A case study of Shamian Island
1819	GEOG	Legal Geographics of state-led urban redevelopment: case study of Urban Renewal Authority's Development Project in Sham Shui Po
1820	CS	Landscape, Youth and Social Media: A case study of Urban Exploration in China
1821	GEOG	Tracing the Green Footprints of Local Eco-eaters: Environmental Vegetarianism in Hong Kong
1822	GEOG	Investigation of On-Street Parking Needs In Hong Kong: Parking App as a Smart Parking Solution
1823	GEOG	Active or Passive Walking? What is the role of built environment in walking in Hong Kong community?
1824	DD	A Preliminary Study of Urban Roof Farming in Hong Kong
1825	GEOG	Hong Kong's planning mechanism as a case of the difference between commitment and reality in redevelopment project: a case study of Lee Tung Street

1826	GEOG	Attitude of new generation towards sharing mobility and private car
1827	GEOG	Implications of Electricity Market Reforms and Political, Environmental, Economic, and Social and Cultural Factors on Nuclear Phase-out Policies in Taiwan
1828	CS	Town-Village relationship in China: An anti-dualistic interpretation
1829	CS	What drives China's rural-to-rural migration? A case study in Zhongshan
1830	GEOG	Conceptualization of energy poverty in Hong Kong through a multi-dimensional energy vulnerability framework
1831	CS	Analysis of precipitation pattern and trends from 1981-2010 in Greater Pearl River Delta: A case study of Hong Kong, Macau, Guangzhou and Shenzhen
1832	GEOG	Why are there no "lofts" in Hong Kong? Policy intransigence in an era of policy
1833	GEOG	Vernacular Heritage of Traditional Shops in Central and Western district
1701	GEOG	The Relationship between Tropical Cyclone, Different Climatic Variables and Marine Waste Problem in Hong Kong
1702	GEOG	Organic certification and consumption of organic products in Hong Kong
1703	GEOG	How the climate extreme events related to El Niño in 2016 affect Hong Kong' s socioeconomic development: A case study in Hong Kong
1704	GEOG	Cultural tourism in community- The case of walking tours offered by Cheung Chau Sai Wan Cultural Village
1705	CS	Capitalist Urban Development with skyscrapers in Chinese cities, a case study to skyscrapers boom in Shenzhen
1706	CS	Impacts of global city's urban planning on human perspective - a case study of Xinyi district, Taipei
1707	GEOG	Improving the landslide susceptibility mapping of Lantau Island, Hong Kong with in-situ rainfall data
1708	CS	Rural migrants' sense of place in Guangzhou, China
1709	GEOG	Is bicycle sharing systems (BSS) feasible in new towns of Hong Kong? A demand-side analysis.
1710	GEOG	Desalination versus water reclamation: the acceptance of using in Hong Kong
1711	GEOG	Local Planning Proposals on Yen Chow Street Hawker Bazaar: a successful bottom-up transformation by lived space users?

1712	GEOG	How different climate variables and human perception are linked with the marine waste volume to Hong Kong's shorelines
1713	GEOG	How to mainstream electric vehicles in Hong Kong: The Importance of Early Adopters
1714	GEOG	An analysis of High-Tech Industry Development in Shenzhen, an Implication for Hong Kong in High-Tech Development
1715	GEOG	Diatom ecology and habitats in coastal marine to freshwater settings
1716	GEOG	A Sustainable Approach of Minimization in Construction & Demolition Waste of Buildings in Hong Kong: from Stakeholder Perspective
1717	GEOG	Geography of Social Movement: A Case study of Mongkok Protest Site in Umbrella Movement
1718	CS	Understanding Perception of Walking Environment and Walkability in Shenzhen Futian
1719	GEOG	Regional and local climate influences -- cases in HK & India: a statistical and evaluative study on heatwave impacts and future projection
1720	GEOG	Environmental awareness on everyday-use chemicals of the general public in Hong
1721	DD	Impacts of the One-Child Policy and its recent release in Mainland China
1722	GEOG	The perceptions of importance on Cantonese to place-identity as an example of intangible cultural heritage among young people in Hong Kong
1723	GEOG	"Tong Fong" in industrial buildings: an analysis through lefebvrian lens
1724	GEOG	Translocal imagination and the sense of place - A tale of a translocal migrant in Guangdong Province
1725	GEOG	Sedimentology Study in Yim Tin Tsai and Tung Lung Chau Archaeology Sites
1726	CS	Networking Urban Open Space: A case study of Futian, Shenzhen
1601	DD	Population Migration from Hong Kong to Taiwan
1602	GEOG	Review on Street Music Culture in Hong Kong: Should Busking be Legalized?
1603	GEOG	Spatializing Social Cohesion of Tin Shui Wai through the Lefebvrian Lens
1604	GEOG	The Perception of Low Carbon Lifestyle of Hong Kong Youth
1605	GEOG	Building Sense of Belonging of New Town Residents - Case Study of Tuen Mun
1606	GEOG	Water Quality of Lamma Island: A Statistical and Evaluative Study of Water Quality Parameters, Future Projections and Island Developmental Projects
1607	GEOG	The Production of Open Space: A case Study of Times Square

1608	DD	Analysis of the Influence of Climate Change on Waterbirds Migration in Wintering Pattern: A Local Study of Mai Po Inner Deep Bay
1609	GEOG	An Evaluation and Explanation of Public Engagement for Nuclear Power Policy-Making: A Political Perspective on Post-Fukushima Japan
1610	GEOG	Organic Farming in Hong Kong: the Implications of Economic Diversification
1611	CS	Is the Emergence of Villages-In-The-City A Demonstration of Desakota in Chinese
1612	GEOG	Compare and Contrast the Leading OBM in South Korea and Taiwan: Why Samsung is more successful but not HTC?
1613	GEOG	Impact of Redevelopment on Place Image: A Case Study in Sham Shui Po
1614	GEOG	The Role of Organic Certification in Hong Kong Agriculture
1615	CS	探討中國高速鐵發展政策為國內軌道交通裝備業帶來的機遇及展望
1616	CS	De-normalization of 'Cycling' in Beijing: Analysis from Changing Perceptions on Cycling Culture Across Three Generations
1617	GEOG	Critical Determinants Influencing Communities' Perception and Participation in Household Food Waste Recycling Practices: A Case Study of Food Waste Management in Hong Kong's Private Residential Estates
1618	GEOG	Governmentality and Country Park Enclaves
1619	GEOG	Urban (Re)development, Religious Organizations, and Urban Communities: A Spatial Story of our Lady of Mount Carmel Church, Wan Chai
1620	GEOG	Sacred Space and Religious Beliefs in 'Place': A Comparative Study of Attitude towards Gods and Spirits in Chinese Temple and Church
1621	GEOG	Measuring the Utility of Public Space in Hong Kong Young Group – A Case Study of Public Parks and GYMS
1501	GEOG	Geopolitical relations between Russia and Central Asia: an aspect of energy issue
1502	GEOG	Application of an integrated evaluative framework to green building policy: a case study of the Buildings Energy Efficiency Ordinance in Hong Kong
1503	GEOG	Regional energy collaboration for sustainability: A case study of a proposed Hong Kong-Guangdong renewable energy certificate system
1504	DD	Examine the effectiveness of the constructing and purposed rail lines in relieving the crowdedness of the North-South-Corridor (East Rail Line)

1505	GEOG	Umbrella Movement: place and struggle for localism
1506	GEOG	Factors influencing attitudes and behaviors of household food waste recycling practices: a case study of Hong Kong
1507	GEOG	Re-thinking man-environment relationships: revelation from the Holy Bible
1508	GEOG	The effects of light pollution: case study: Sai Yeung Choi Street South
1509	GEOG	Public engagement as a tool of hegemony: the case of designing the Kwun Tong town centre project in Hong Kong
1510	GEOG	A comparative analysis of urban greening in Hong Kong and Singapore
1511	GEOG	A study of Hong Kong Slope
1512	GEOG	Tai Ho Road Footbridge Extension: a humanistic study of multilevel walking environments in Tsuen Wan from geographies of encounter perspective
1513	GEOG	Investigation of China-North Korean economic relationship in the era of Kim Jong Un (2011-2013)
1514	DD	Biodiesel industry in Hong Kong : opportunities and challenges
1515	DD	The facing challenges of rooftop farming, a kind of urban agriculture, in urban Hong Kong from an urban planning perspective
1516	GEOG	The role of space in intergenerational poverty: a case study of Tin Shui Wai
1517	GEOG	Transiting to ecotourism from tourism in Nam Sang Wai: perspectives of tourists and local residents
