Remarks:

1* Elective Courses suggested to be taken in Year 1

If students have taken the listed course(s) below from the Department(s) as electives, such course will be counted under the respective Major to which they will be assigned after Year 1. Students are advised to take the following course(s) in relation to the Major they will pursue in Year 2:

	Offering Department	Course	
Semester 1	Geography	GEOG 1005	Geography & the Contemporary World
	History	HIST 1405	History, Heritage & Human Communities
Semester 2	Government & International Studies	POLS 1005	Foundations of Political Science
	Sociology	SOCI 1005	Invitation to Sociology

2** For Major electives, students are required to take one course from each of the following concentration areas: (a) Geoanalytics and Research Practice; (b) Physical Systems and Environmental Dynamics; (c) Urban Studies, Cities and Everyday Life; (d) Regions, Development and Resource Management

Students can choose up to two courses from the following (**): *Population Geography of China; Energy Development in China; Resource Management in China; Problems in the Physical Geography of China; Rural and Agricultural Development in China; Urban Development in China; Selected Topics in the Geography of China.* Whether *Selected Topics in the Geography of China* is considered a “human” or “physical and environmental” depends on the exact contents of the course at the time it is offered.

3*** One semester off campus period if students so chose.

4# GEOG 1005 is a Major Required Course. Students who have taken GEOG 1005 in Year 1 should take 3 units Free Electives Courses in Semester 1 of Year 2.

5@ Students are required to take a total of 6 units of GE interdisciplinary Thematic Courses. Student must have completed two GE interdisciplinary thematic courses before taking GE Capstone at Level 3.

6^ Students are required to take either SOSC3005 or SOSC3006 to fulfil the requirements of Experiential Learning in Action.

(8 July 2019)
